

April 2009

Dear Parent,

Thank you for expressing an interest in Trinity Christian School. Trinity Christian School (TCS) is a Rock Hill institution that continues to provide quality Christian education. TCS was founded in September 1968 by a group of committed parents and Trinity Bible Church leaders. Since that time, TCS has educated numerous students that have gone on to serve God in both sacred and secular vocations.

Since those early years, TCS has grown into a fully accredited school offering K4 through 12th grades. The 20 acre campus holds numerous academic buildings, playgrounds and an athletic field. The school boasts a fully-equipped science and computer lab, a full size gym that has hosted college-level athletic events in addition to our own high school athletic events, as well as spacious classrooms. We are blessed to have such a well-equipped campus.

But TCS is more than just buildings and playgrounds. It is a thriving community of students, faculty and staff, and parents. It is the people that make a school a success. All of our teachers are accredited through the South Carolina Association of Christian School (SCACS) and many have dual accreditation with the state of South Carolina. Several of our teachers have been teaching at TCS for ten and twenty years. It is not uncommon for our high school students to see their elementary school teachers teaching a new generation of TCS students, many of them younger brothers and sisters.

We are looking forward to the 2009-2010 school year. Trinity Christian School is well-positioned for the future. Despite the difficult economy, the school is in the strongest financial condition it has been in years. Our students continue to win academic awards and scholarships. Our athletic programs are competing at the highest levels. There is much to take pride in at Trinity Christian School.

This is where you come in! We are always looking for quality families. The fact that you have made an inquiry about us is great news. We look forward to assisting you in deciding where to educate your child. It is one of the most significant decisions you will make and it has lifelong ramifications. In order to assist you in this decision we provide numerous opportunities for you to get to know us. First off, you can visit us at our Open House, scheduled for April 23rd at 6:00 PM. Please call our office to reserve a spot if you are interested in seeing and talking to us face-to-face. You can also go online and visit our web site at www.tbcministries.com and follow the enrollment prompts. Lastly, you can call our office between 9:00 AM and 4:00 PM and ask that we mail you an application packet. *Open enrollment has already started, so don't delay.* There is a \$150 enrollment fee that covers placement testing and other administrative costs. All but \$50 is refundable should you decide not to attend TCS.

We are confident that you will like what you see at Trinity Christian School. We are not perfect, but we strive on a daily basis to please God in everything we do. This includes providing your child a safe, Christ-like academic environment so he or she can achieve God's will for their life. Please contact us if you have any questions or need additional information.

Sincerely,
